The "end-of-the-year" Accelerated Reader General Store will be open May 1 - 5, 2017 for students to trade their points for prizes. Since the beginning of the 2016-2017 school year, many "eNthusiastic" students have taken and successfully passed at least eight Accelerated Reader on-line quizzes on their grade level. Eight on-line computer quizzes are required for students to receive full credit for each stamp on their library bookmark. The bookmark points are added to the points received from on-line quizzes and those determine the total points a student may "spend" at the General Store.

Students may view their points when they log on to take an AR quiz...just go to the Progress drop down menu.

Tuesday afternoon fifth grade boys and girls were found trying out treats and toys and treasures that will be displayed beginning May 1 - 5, 2017 in the Accelerated Reader General Store.
