Summer Reading at ST. THOMAS MORE  
Optional FUN Activity

Connect with us for our third Summer Reading Celebration  
Let's see if you can come up with creative places to read your Summer Reading books.

Mrs. Fontenot wants to see where you read during the summer.  
Any STM student may participate.

It's FUN! It's Optional! Do it only if you want to!

Just follow these instructions and have fun READING ~:)

1. Snap a picture of yourself reading a book that's on your STM Summer Reading class list.

It can be anywhere

2. Upload your picture to a computer and ask your parents to send it to Mrs. Fontenot at: [mfontenot@stmorennews.com](mailto:mfontenot@stmorennews.com)  
(By sending the picture your parents grant permission for the library to post your picture on the St. Thomas More web site.)
3. Four or five of the most unusual photo locations will be awarded a prize.
4. Our judge will be from another school in our area.
5. Hope you can participate as we all have fun, creative, unusual places to enjoy reading.

Do this only if you want to!
