Developmental Volleyball
Girls Coach: Mrs. Maggie Brill**

Welcome to STM's Developmental Volleyball Program. Our goal this year is to provide a positive learning experience for our beginner student athletes in grades 4th & 5th. The program offers a combination of instructional skills training, scrimmages, and an informal round-robin tournament the end of October.

The first practice will be this Monday, September 25th from 3:30 – 4:30. If you have any question, feel free to contact Mrs. Felton at jfelton@stmorennews.com or Mrs. Brill at mbrill@stmorennews.com
